“... an excellent balance between
delivering a strong message, and pure
entertainment ...”

- Randy Wiberg
Principal
École Sifton School - Camrose, AB

For over 25 years, The Comedy & Juggling of Paul Isaak has toured the world, engaging crowds with his thrilling high energy variety show. His clean physical comedy, has delighted audiences on cruise ships, at festivals, concerts, conventions and lots more.

Now Paul is bringing his unique ability to captivate an audience to schools. He instantly grabs the rooms attention, with his witty juggling skills, and commanding stage presence. Once he has the room focused, he gently incorporates a customizable message.

People juggle their schedules, toss around ideas, and occasionally feel like they have too many balls in the air. Juggling is a metaphor for so many areas of our lives, and Paul Isaak expertly includes a message into the show to reinforce your student's current learning goals. He concludes the show with a mind blowing stunt that challenges students to push their own limits, in order to accomplish amazing things. The show is filled with visual delights making it a great tool to reach ESL students.

Common Speaking Topics include...

- Goal Setting
- Following Your Dreams
- Anti-Bullying
- Confidence Building

After the performance, Isaak can be available to teach class sized groups to juggle balls, spin plates, and circus skills. In these workshops, students focus on goal setting, problem solving, and develop self confidence. They also discuss scientific principles, and the laws of motion, in a subtle, yet practical way.

Suitable for K-12 Students, Paul's show will thrill students and staff alike.
